

Meet Your Audiologist:

Kimberly Donohoo, AuD, CCC-A

Credentials:

- Minnesota Licensed Audiologist
- Member, Minnesota Academy of Audiology
- Member, American Academy of Audiology
- Member, American Speech-Language-Hearing Association

Education:

- Bachelor of Science, University of Wisconsin – River Falls
- Master of Science, Vanderbilt University
- Doctor of Audiology, A. T. Still University

Professional Interests

I am excited to work with you through your entire cochlear implant journey, from maximizing what you can hear from your hearing aids, to evaluation of cochlear implant candidacy, to activating your CI and then helping guide you to obtaining your best possible results. I enjoy working with your family and friends, as this journey is most effective when you are surrounded by those who support you.

Personal Interests

When not working or learning about new advances in cochlear implant technology, I enjoy getting out into the great Minnesota outdoors! You may find me on a bike trail or on one of the lakes. When that is not possible, I love to cook strange new recipes and read, especially with family.

Locations:

- Saint Paul
